See the comment balloons and the inserted text and strikeout in the attached. The pictures and graphics are all very good, just hoping we can find a single graphic for the monitor well locations.

Here is the draft as it is now;

Donn – please add if you wish on the open house and/or community information.

Phil – please add if you wish on the TDSHS meeting/coordination.

Will send actual Power Point next – maybe it will go?

Thanks,

Gary Miller
